Dear Mr. Branscum,

I would like to take this opportunity to tell you how pleased we are -- President Carter and our entire Campbellsville University family -- with the newly completed Ransdell Chapel.

From the inspirational exterior presented at the entry to the campus, to the special detail on the inside of the building, it is well done.

Mrs. George Ransdell said it best at the dedication ceremony on April 18, "There is not one inch of the chapel that George and I are not completely pleased with." The Ransdells gave the lead gift which made the chapel possible.

We so appreciate the spirit of cooperation with which you and your crew, especially team leader Todd, worked with us. You are very professional and your work shows that.

Bringing it to completion in our Centennial year made it even more special as we begin our second century with a unique place of worship on campus.

Sincerely,

Otto Tennant,
Vice President for Finance and Administration
